904-506-6081

St. Johns County, Fla. — In coordination with St. Johns County Emergency Management, the Florida Department of Health in St. Johns County (DOH-St. Johns County) is currently preparing for life sustaining public health response actions in response to Hurricane Ian, including support to the Emergency Operations Center and operations of the Special Needs Shelter.

As county government office will be closed, the DOH-St. Johns County will be closed starting tomorrow, Wednesday, September 28, 2022. The public is encouraged to monitor local government websites and news outlets for information regarding the restoration of DOH-St. Johns County public health services.

Information for St. Johns County residents and businesses regarding disaster preparedness and response actions, County evacuation orders, evacuation zones, and evacuation routes, as well as shelter locations (general population shelter, pet friendly shelter, and the special needs shelter), can be accessed via the following outlets:

- St. Johns County Government www.co.st-johns.fl.us/
- St. Johns County Emergency Management www.SJCEmergencyManagement.com/
- St. Johns County Citizens Information Hotline 904-824-5550
